February 23rd 1862

Sir,

Your letter of the 21st inst, to Surgeon Williams has been submitted to me, and in answer, I beg leave to state that the "Hospital Fund" at this place is not so large as appears from the "Hospital Abstract" as submitted to the Surgeon General, through current Returns.

There are Out standing debts (not embraced for pay rolls) that will materially reduce the amount reported as due the Hospital, and until these outstanding debts are paid it is not possible for me to say how much will remain due the Hospital here.

Then again I have not sufficient funds on hand to meet a draft for five hundred dollars, even if so much could be spared from the funds in question.

I am now making out as full as possible, all the papers which have been heretofore delayed for the want of funds, and will advise Surgeon Williams, on their completion, as to the true state of the Hospital "Fund" at this place.

Very Respectfully

Colonel

On the 7th inst. at Summit Station, an Officer
attached to the Command of General King (then en route
to join General Jackson at Winchester) presented himself
at my Office, and handed me an order, addressed to him-
self, directing him to proceed forthwith to Winchester.
It was during the day that this occur-
red, and as the cars did not leave here for Winchester
before two O'Clock the next morning, the Officer considering
himself as being under "express" orders, demanded of me im-
mediate transportation to that place.
The best and most economical mode that then presented
itself, (the Office not containing here) was that of procuring
a Buggy & Horse & this order for the purpose.
The payment to Mr. C. C. Billings of
eight dollars (8$) for the use of the same was then de-
cided in your Office as being "inadmissible".
The charge was considered quite reasonable at the time,
as the distance from this place to Winchester and return
is 86 miles; thus making the rate but little less than ten cents per
mile.
It is true I should have forborne
my account by furnishing to you a copy of the Officers
orders, and also his written demand for immediate trans-
portation; but in the press of business on my hands

Colonel ____

On the 7th of December 1861, an officer attached to the command of General Loring (then en route to join General Jackson at Winchester) presented himself at my office, and handed me an order, addressed to himself, directing him to proceed forthwith to Winchester.

It was during the day that this occurred, and as the cars did not leave here for Winchester before two O'Clock the next morning, the Officer considering himself as being under "express" orders demanded of me verbally immediate transportation to that place.

The best and most economical mode that then presented itself, (the Officer not returning home) was that of hireing a Buggy, Horse and driver for the purpose.

The payment to Mr C.C Billings of eight dollars ($8:) for the hire of the same was then decided in your Office as being "inadmissable".

The charge was considered quite reasonable at the time, as the distance from this place to Winchester and return is 96 miles; thus making the rate but little more than ten cents per mile.

It is true I should have forwarded my account by furnishing to you a copy of the Officers orders, and also his written demand for immediate transportation; but in the pressure of business on my hands

17th June. 1863.

Dear Sir.

Among the ardent friends of our cause who promptly abandoned friends, home and political preferment, even before the organization of our government, and took up arms in vindication of the principles he had long asserted, was Colonel Alpheus Baker. In March 1861. I found him at Pensacola, commanding a Company of Alabama State troops. Transferred to the Confederate service, he continued under my command in that army, in the gallant and efficient discharge of his duties, until the following winter, when he was called to the command of a regiment in a distant field. One of the unfortunate prisoners at the fall of Island No. 10. he returned as soon as exchanged to the irksome and laborious duties on the Mississippi, where he is still battling for the right.

Gallant, intelligent and devoted to the cause and the duties by which he supports it, he has by experience become a fine soldier: and though opportunities have failed him for that distinction all deline, and many, not his equals,

have enjoyed. "I know" no Colonel in the service I would receive at the head of a Brigade with more personal satisfaction or official confidence.

We take great pleasure in recommending Col Allphen, Baker's 4th Ala. Reg. now stationed in Fort Pemberton for promotion to Brigadier General. Col Baker has filled many positions of high Civil Trust in which he distinguished himself for ability learning and eloquence, and upon the secession he was one of the first to enter the Military service, having furnished the first Ala Reg in Company with the commandant for the state, in Genl Bragg's army at Pensacola. Lieut Alpheus Baker of Alabama, an applicant for promotion to the rank of Brigadier General has written to me, asking my recommendation to the President, in case I can conscientiously give it.

I admire Lieut Baker for the many generous qualities of his heart and have a high respect for his talents. He is one of the leading men of Alabama; was among the first to take up arms in vindication of true State Rights. He is and was from the commencement of the war properly impressed with the importance of discipline and subordination, and has the ability and firmness to enforce these principals in his Company and Regiment.

His temperate habits and ardent zeal in the Cause of the South, with his natural ability, and experience as Commander of Soldiers, leaves no doubt in my mind of the judiciousness of the appointment to the position he seeks.

I cordially endorse the high testimonial of Genl Buford to the meritorious conduct of Colonel Baker commdg the 54th Ala Regt. The Col. has served in my Division with a short interruption, nearly the whole time of my service in the Dept. of Mississippi, & besides his gallantry and good conduct at Baker's Creek and in the campaign around Vicksburg, he was with me at Fort Pemberton on the Upper Yazoo river. He is a fine disciplinarian and has under his command one of the best regiments in the service. Possessing rare qualities for a Commander, his superiors in every instance recommend him for promotion.

Jefferson Davis,
President of the C. S. A.

Sir:

I beg to unite my own endorsement and recommendation in favor of the presentation of Col. Alphonso Baker, Commanding the 5th Ala Regt in the army of Mississippi. I have known this gallant officer for many years. He was one of the leading members of the Bar in my old Circuit, and a resident in my own town of Eufaula, - and one of my personal and political friends - & both personal and political. He was unanimously nominated & elected by the Democracy of Barbour County as one of their delegates to the State Convention which passed the ordinance of Secession, of which he was an earnest advocate and supporter. He was one of the most efficient orators who was ever raised in the Convention in behalf of Secession & independence. Before his term as a delegate had expired, he entered the military service as Captain of a Company in the First Ala Regt which was ordered to Pensacola. Before the organization of this regiment under enlistment he was elected Colonel of a regiment formed at Fort Pickens designated as 1st Ala Zouave & Mississ. Regt - which

was "captured at Selma April 10 - Upon returning from captivity & a reorganization Col. Hall was selected Colonel of the 62d Ala Regt and is now serving in the army of the Miss- Sippi with the approbation of his commanding officers - He was wounded at the battle of Nashville, Tenn - His experience in the service, his fine liberal education, his administrative ability, as well as cool bravery & capacity as a commanding officer justly entitle him to your favorable consideration; and I hope I may be pardoned for expressing the hope that he may be assigned to the command of a Brigade of our Alabama troops, which I doubt not will be personally gratifying to his promotion.

Respectfully
Yr Ob Svt Dft

Colonel

Since my Regiment entered the service (Aug. 10. 1861.) it has lost by death more than Three Hundred men (300)

Though depletions have been since thinned made, it has never had stricken a single Commissioned

It is now reduced to an aggregate present of Two Hundred and forty four (244.)

Disheartened by this constant drain and by some ill success heretofore in obtaining any portion of the Conscripts, I feel anxious to make a personal effort in the Country in which I live to recruit its diminished ranks.

I have reason to hope that if permitted to go there at once, I can, besides gathering with some straggler, add a Hundred men to my present number.

If I fail, I shall return to take Charge of my little Command in better heart, from a consciousness of having used the best means in my power to encourage

I am fully satisfied that just now my services for forty days will be of more value to the Country there than here, and I respectfully ask to be ordered on recruiting service to South Eastern Alabama for that length of time.

Very Respectfully
Your obt. Svt.

Hon. J. P. Benjamin,

Sir.

I respectfully tender my services without compensation (other than the usual rations) as drill-Officer in any of the Camps of instruction near this City, or elsewhere. I have been serving in the 1st. Florida Regt. at Pensacola from April until a few weeks ago, when an attack of Measles - followed by a lingering fever - induced the Surgeon to have me honorably discharged, contrary to my application, which was for a furlough. As my health is sufficiently recruited to enable me to do some service, I am desirous of being employed in connection with the Army. My qualifications as a drill Officer are fully testified to by Genl. F. W. Capers and Col. Gilmer of the Georgia Military Institute, as well as by the commissioned officers of my Regt., - all of which testimonials are filed in your Department.

General,

I applied about three months ago for a transfer from my present position of Adjt of the 12th La Batte. to a position of equal rank in any one of the Regiments of Engineer Troops then being organized; and I accompanied my application with numerous letters of recommendation, stating forth my qualifications and general fitness for the Engineer Service. Lt. Col. Rives acting Chief of Engineer Bureau answered my application and informed me that my claims would be considered whenever an appointment in the Engineer Troops came to be made. I afterwards saw Lt. Col. Rives in Richmond, and was told by him that there were very few vacancies left in the Engineer Troops, and that each would all be filled by himself, and advised me to apply to you in person. On returning to my Command, however, I have an opportunity of seeing you personally, my Battalion having been removed from Charleston to this place, and your own Hd Qrs being now established in Savannah.

I have, therefore, troubled you with this communication, and beg that you will inform me whether there are any Lt. Lieutenancies still vacant

in the Regiment of Engineer Troops, and if so, whether it be possible for me to be transferred to such a position, provided I present sufficient testimonials of my qualifications. The letters of recommendation alluded to have been on file in my behalf in the War Office and in the Engineer Bureau at Richmond. I have with me now, and will forward them and other testimonials to your Adjutant if you deem that such a course will be of any avail. My address is "Lieut. F.H. Baker, Adjt 1st Ga Battn. Sir

Upon the appointment of Cadets under the act of 16th May. I beg leave to present before you the name of young Lon Fourt. W. Baker now serving at Pensacola.

He was educated at a Military school the Geo. Military Institute and was in the graduating Class of this year when he left. The Faculty as well as the Officers individually, have furnished him with the highest testimonials both as to character & capacity; & say, among other things, that from the time of his entering up to that of his leaving the Institute he had never received the first delinquent mark, That he stood first in the Academic Department; had been appointed Assistant Professor of French & History, and that he held no superior as a Cadet Officer.

He was drilling an Artillery company in Tallahassee Florida at the request of Gov Perry. & when they were ordered to Pensacola he felt bound to volunteer & has been serving with that

The Officers of this Regiment have unanimously recommended Johnson as 1st Lieutenant as he has really done the duties of the superior officers (including the Lieut-Col's duties almost nightly) and can be found the company & all of the testimonials to which I refer are on file in the War Department & I will exhibit them to you if you think this application worthy of consideration

I am informed that a number of companies are now forming in Florida, who are without efficient drill officers, and I feel confident that Hawk can render valuable service in that capacity Independently of any one, he can furnish from those his Teacher & Professor from childhood the highest testimony of his moral character & correct habits.

Respectfully asking your consideration of this application I am very truly

F. W. Bates is, I understand an applicant for appointment to a Lieutenancy in the Army of the Confederate States. It gives me pleasure to testify to his worth. And to say, that while a Cadet of the Georgia Military Institute, he held the first position in his Class, and was the 1st Lieut. of his Corps.

REGULATIONS

For the payment of all claims for arrears of pay and allowances due to deceased officers and soldiers of the Confederate Army, per Act No. 402, approved February 15th, 1862, and Act No. 30, approved October 8th, 1862.

The first section of the above named Act provides "that the pay and allowances due to any deceased volunteer, non-commissioned officer, musician or private in the army of the Confederate States, shall be paid to the widow of the deceased, if living, and if not, to the children, if any; and in default of widow or children, to the father, if living, and if not, to the mother of such deceased volunteer."

The first section of Act No. 30 provides "that claims due to deceased non-commissioned officers and privates for pay, allowances and bounty, may be audited and paid when there is official evidence of the amount due, satisfactory to the second auditor, under such regulations as he has, or may prescribe, with the approval of the Secretary of War."

By section 2 of the same Act it is provided that "the claims of deceased commissioned officers shall be paid to their heirs or representatives in the same manner as similar claims of non-commissioned officers and privates are now, or may be directed by law to be paid." Payment will be made accordingly under the following rules:

1st. If the child or children be minor, payment will be made to the guardian, upon the production of the proper certificate of guardianship under the seal of the Court.

2d. The claimant must produce his or her affidavit, and that of one disinterested witness, stating the relationship. For instance, if the claimant be a mother, the affidavit must state that there is living neither wife, child or father of the deceased: if the father, that there is neither wife or child; and if the child, that there is no widowed wife.

The *magistrate or other proper* officer must *testify to the credibility* of the *witness*, and the Clerk of the Court must certify, under the seal of the same, that he is such magistrate.

The foregoing instructions must be strictly complied with. Powers of attorney or assignment, which will seldom be necessary, may be executed before a magistrate, or in the presence of two respectable witnesses. Claims prepared as herein directed, and transmitted to the Second Auditor by mail or otherwise, will receive as prompt attention as the business of his office will allow, and *always in the order of their presentation*. The amounts found due will be remitted by the Auditor, to the parties entitled as they may direct.

Head Quarters 1st Baker Regiment
Velasco Texas March 21st 1862

Sir.

I have with pleasure forwarded for the consideration of the Adjutant and Inspector General, the Resignation of Lt Col W M Baker Surgeon of my Regiment. Dr Baker is a gentleman who stands high in my esteem, and in that of my whole command.

His principal object in wishing to leave his present station, is to join our Army now in the presence of the enemy in Tennessee. I am sure he will do good service wherever he may go, and in whatever position he may be placed, either in his profession, or as a Soldier. His use will be great, either in Hospital or field. And he possesses those rare and happy faculties, which cheer the Soldier alike upon the bed of sickness or in the Camp.

If Dr Baker cannot have his resignation

accepted, or should it be delayed he desires a leave of absence, or that he may be assigned to duty in the field indicated.

The health of my command is now comparatively good, and is improving daily. The asst. Surgeon with the aid of one Post Surgeon, will be able, at least for a time, to perform all the medical service required upon my line of defence, and have proved themselves fully capable in every respect.

I part from Dr Baker, if such be your decision, with regret: but respectfully urge, on his behalf your favorable consideration of his request.

Very respectfully your obt servt.

J. J. Bates,
Col Commanding

Sir.

Please permit me to make a statement of facts upon which I desire to predicate an application for a parole and respectfully request favorable consideration.

Permit me to state that I am, as was my father, a native of New York. In 1854 this financial embarrassment, prompted me to seek my independence from my own resources, and I adopted the South as the most prolific country out of which I could extort a competency.

Since I became a prisoner, my father (whom I had not seen since 59.) died: and my mother and sister removed to the West where they enjoy his recuperated fortune, and the society of our relatives: and in common with them, join with me in earnestly soliciting this favor at your hands: and I respectfully make an application for a parole for eleven or twelve days to visit Milwaukee, Wisconsin.

I desire to travel incognito and as a citizen.

I have the honor to be,
Most respectfully, Your obt Svt
Henry Bates.

To

The Hon Secretary of War

The undersigned begs respectfully to state that on the 1st April he received a notice of the 1st July 1861 signed by the Secty of War, that on 18th June 1864 I ceased to be an officer in the PACS, not having been Confirmed by the Senate at its last session. I was much astonished, and am wholly unable to account for the matter of suspension, being conscious I had been on account of some misapprehension of what had been said to me or what I was said to have done. In view of these facts I beg leave respectfully to present a statement of all the facts from my appointment to the present time, and send it through my superior officers under whom I have been acting and their endorsements of such facts & circumstances as they may know in relation thereto.

On the 15th Oct 1862 I received a Commission as Assistant Commissary for 4th Ala Regt dating from 8th July 1862 from which time I had been filling the position of ACS for 4th Ala Regt. On 1st Dec following I executed my bond in pursuance of same and took the oath prescribed &c and still continued in the full discharge of the duties of ACS for 4th Regt Ala Vol until the 23rd April 1863 I was ordered by Maj Gen L Gilmer Chief Commissary 2nd Military District Department of Miss & East La to report to Col Sam Ferguson Commanding Forces in Pearl River in Miss with orders to furnish, collect & issue supplies to all unattached Battalions & Cavalry Companies, and from that time until the 1st Day of August 1863

filled the position of Brigade Commissary for Ferguson's Brigade. On the 27th July 1863 I was ordered to duty by Command of the Secty of War and ordered to report to Maj Gen J. Walker Chief Commissary of the State of Alabama at Mobile Ala for assignment to duty as disbursing Officer District of Gainesville and on Maj Walker ordering Capt J. J. D. Cunningham ACS District Commissary for the appropriate District and Capt J. J. Blanchamp ACS assigned me to duty in his District as above stated on the 6th of August 1863. I entered upon the discharge of the duties and have been ever since actively engaged in performance of duty. I disbursed, since accounts, this day, for purchases of Agents &c. I collected through the District some thing like Two Millions of dollars, was out on duty about six months in all, have been currently & extensively engaged ever since the assignment, how efficiently, those under whom I am acting Can state.

It may be proper to remark that my long report may be in the reason that I have made no report to Richmond. I have not been to since 1st August 1863, but when asked for reports I have promptly forwarded all my Vouchers, Statements &c through Maj Walker Chief Commissary of Purchases &c for my main in his name and I had no reports to make.

I would respectfully ask that my case may be examined & if practicable reconsidered so that I may be reappointed from 14th June 1864 as I have ever since that time particularly engaged in duty, believing if the whole facts were before the

Senate they would not, this next session refuse
to confirm the same

Colonel,

Two of my Officers Capts J. W Parker & Samuel Tishcat, and Capt J S. Carpenter Asst Commissary at Demopolis have received notices that their appointments not being confirmed by the Senate, they are no longer connected with the Commissary Department.

I presume they lost their appointments because their nominations were withheld by the President under his construction of the Act of May 1st 1863 for abolishing supernumerary Officers- But a law of the last session of the 14th June 1864, authorises additional appointments, and I enclose herewith applications for their re-appointment.

I trust, Colonel, that you will have these Officers reinstated, not only as an act of justice to them, but as a necessity to the service.

I have been struggling constantly, to perfect the organization of your system in this State, and could have done so, had we been allowed to keep the Officers and Agents originally selected for the work.

The subsistence of our Armies depends, as you know, entirely on the efficient working of the State System of Collections, and I beg that you will, at all events, secure to me the few commissioned Officers I have on duty-

Regard his communication in that Paper as a reflection on the Corps of Engineers - has Lt Col. of the Regt. Cavalry which was first commanded by Col. In my judgment no more in the Army deserves the consideration of the Department than he, & I am satisfied he would be honored by his country & the Army if promoted to a Brigadier. - I am equally satisfied that his immediate Commander Genl. Richmond Va Dec 18 1863

Sir -

The following is a copy of the order by which I was originally obtained in this City -

Surgeon Paul D'Lacy Baker is hereby assigned to duty in charge of the 2nd Ala Hospital in this City

L P Brown
Surgeon General

On the 9th of July 1863, you issued an order consolidating the 2nd & 3rd Ala Hospital into the Hospital, to be known as "The Ala Hospital" with the 2nd Constituting 1st Division and the 3rd Constituting 2nd Division; and on the 17th July 1863, you issued Special order No 98, assigning Surg C A Clark to duty, as Surg in charge of the Ala Hospital, formed as above explained.

On the 24th of Sept 1863 in issuing orders to Surg Clark, containing directions relative to the closing of the 2nd Division of the Ala Hospital, you instructed him to report to you such Medical Officers as he did not require or could not assign with benefit to the C. States. Under this order, I was retained in this Hospital both by Surg Clark and by verbal orders from yourself.

I was absent on Sick furlough from this city, when the order of Aug 1st was issued and did not see it until to-day - this explains why I did not respond to it more promptly.

Respectfully
Paul D'Lacy Baker

Hon Jas. A. Seddon
Sec of War
Sir

I take great
pleasure in recommending to your
favourable consideration the ap-
plication Richard A. Baker Jr for
an appointment as Judge on one
of the Military Courts. He is a gentle-
man of the highest moral qualities
& of fine intellectual attainments
& I shall be much gratified to learn
that his application has been
granted

Very Respectfully
Your Obt Servt
A. T. Caperton

To His Excellency the President
of the Confederate States

The undersigned respectfully recommend to your favorable consideration, Mr Richard H Baker Jr of Norfolk City, as a suitable person to be appointed as a Judge of one of the Military Courts established by an act of Congress. Whilst acting as Quartermaster for the third Battalion of Virginia Volunteers, Mr Baker was elected to the General Assembly and was afterwards tendered the commission of Quartermaster in the Confederate Service, but deeming the two offices incompatible he declined it. He is a distinguished graduate of the Law School at the University of Virginia, and for a period of twelve years has assiduously & very successfully practised the profession in the City of Norfolk, during which time he was frequently employed by the Federal Government as Judge Advocate of Military and Naval Courts Martial. Mr Baker is a gentleman of high character and social position, & in our opinion

is eminently qualified for the post
for which we recommend him. He is
now an exile from home & has a
large family dependant upon him
for their support. -

Having learned that
there are one or more vacancies in the
Judgeship of the Military Courts, lately or-

with great diffidence to solicit one of
those appointments, and to ~~solicit~~ to

I am equally desirous should appear, the
reasons and motives which have induced
me to make the application -
If there is no vacancy at the time, it
may be that one will occur at no

The names of the patients referred to are: Simpson, Gordon, Kidwell, and Kerr. The first two came here about a week ago. I do not know when the others came, and am sorry the limit of my leave of absence does not give me time to ascertain the time of their arrival. Surgeons Gordon, however, could readily ascertain or already know when they came. I hope, Sir, their transfer may be effected at once, if possible, as thereby their health may be benefited, and returns to the Regiment be expedited, as well as the recon-

RECEIVED

They are at present the tools of the enemy, they will have no principle within them but the ungodly attached to one. If the proper authority is given me, I will reorganize a portion of them, encourage them by my own exertions, and I will pursue them in that path upon which depends the enemy at any time & place. Some who escaped with them have begged their officers not to consider them "deserters", but the reply was "remain in line". I shall take those brave fellows from Beauregard & Harry & Carroll companies and organize them into guerilla parties & the general commanding should appoint the places and assign the pickets that are stationed at their doors guarding their unoffending families, and pick off the Paroling, that parade through their streets, & destroy the secessionists left to eat their little crop. —

I organized no force as with the Tennessee since from Fort Henry to Nashville, every path and picket, with the consulting of Union & secessionists, was first that I [illegible] [illegible] [illegible] [illegible] Southern people, [illegible] [illegible] [illegible] at their homes. —

This is written at the request of Col Jordan, who wished to have a report in writing of what I said &c.

and desired to take the
authority & collect and organize the re-
sources from Landed Land. Living in the
County of Washington, Canal.
Tallahatchie & Yalobusha into a Battalion.
Five companies of light artillery the remainder
as infantry, with one company of cavalry,
provided They equip themselves.
That I be ordered to rendezvous and
proceed to elect Company officers to
fill vacancies.

I followed the advice of those who co-
operated, and by considerable labor and
risk, within the limits of the county, succe-
eded, without the aid of a single soldier
in raising for the government nearly enough
to embodied funds to arm a company. and
I am anxious that I may be permitted to or-

I do not wish to interfere with the claims of

I would like to have these rendezvous at

Sir.

I have just been informed that Majr R. B. McRae Controlling Quarter Master of this State has been elected Sheriff of New Hanover County - I have been requested to suggest to you for his successor Major William J. Baker Asst Commissary to Kirkland's Brigade - I have long known Majr Baker - He is a lawyer by profession, a good business man and a most estimable and worthy gentleman - I am sure that the office could not be given to one of better ability or better business habits and qualifications - He has been in the field since the commencement of the war, his family having been removed to this place - Few men have made greater sacrifices according to his means, and the appointment, I have reason to believe would be very acceptable at this time, for the reason that his health, always delicate, has been impaired, and the situation of his family is such, that it would be greatly to his and their comfort to be with them - I hope the fact stated will serve as an apology for suggesting his appointment - If made I am sure it will give general satisfaction -

Very respy

Raleigh, Jany 11. 1864

Dear Sir:

I have received your kind letter & [illegible] will answer it in this letter when please allow me to introduce to your acquaintance. I came home a few days before Christmas on an eighteen days furlough - but got sick - and not being able in consequence of my disposition to attend to some business which required my attention, my leave was extended twelve days - At the expiration of my eighteen days leave and before hearing of the result of my application for an extension, being too sick to attend to duty I appeared before the Board of Medical Examiners which granted me a leave of fifteen days from December 30. I forwarded the recommendation of this Board to the Army for approval up to this time I have not heard from it - my physician says with extension of twelve days will be out in a day or so, and I expect will be able to rely upon the findings of the Surgeon Examining Officers, I have instructed to request you to apply to the Sec of War, for the extension in case you should think it best under to submit the application. I got suffer from the effects of a Catarrhal attack, aside from debility, and Dr Kirkbride Medical Director for this State told when I consulted this morning that he was satisfied that I was not sufficiently recovered to return to duty this season of the year, and that it was impossible for me to remain here unless I had leave of from the recommendation of the Board of Examiners but I feel unwilling to remain from duty on the authority of their findings which at most are

who had been sent to Genl Hospital has
been carefully noted. There has been irregularity

the order has been complied with on their
part, the receipt has been given, upon the
receipt of this portion, and in some
instances a receipt has been sent by
mail and it is probable that in some
instances no receipt has been given. In
a majority of cases no Officer has
accompanied the sick to the
Hospital. I have received sixty Sick

Capt E Carrington
A.Q.M.
Sir.

With a view to the greater security of Ordnance Stores shipped to the army, and for wants of Commissioned Ordnance Officers to locate at Depots, I have directed Sergt W.D. Tibbetts to Hanover Junction, and Sergt Chas Maconeurdo to Orange C.H., with instructions to take charge of all Ordnance Stores consigned to those points, until the Officers to whom the Stores are consigned are able to remove and distribute them. Frequently the Officers to whom Stores are consigned are many miles from the Depots, or are on the march, to prevent unnecessary transportation and multiplication of papers, I instruct the Sergents aforesaid to receive the Stores and invoices and to sign the receipts for the Officers by my order. At the Richmond Arsenal all Stores forwarded are charged to the Officers to whom they are invoiced. The receipts given by the Sergents are merely evidence that your Department has complied with its obligation to deliver the Stores at the points to which they are directed. I request that their signatures may be honored by the Officers. The remaining Officers at the Arsenal can settle their accounts by certificate invoices, and adopt these receipts by my order as vouchers. I assume all the responsibility to the Consignees and to the Govt that the Stores are delivered.

Very Respectfully

Dear

I have just returned from Dinwiddie C.H. where I left Genl Crawford's Division of Warren's Corps on Watkins Run some seven miles from Petersburg, on our right and I regret that I have nothing very satisfactory to report. In our Department the expenditure of ammunition has been very great - entirely disproportionate to the magnitude of the engagement. In fact in all our recent fights I notice an apparent nervousness on the part of our men and of the enemy causing an unusual waste of fire either at random or at ranges too great to be effective. The expenditure of Artillery ammunition especially of Shrapnel has been very great. Owing to our defective ammunition, a good many portions of our lines, were held by Skirmishers and Artillery, and a heavy Artillery fire was maintained against the Skirmish lines of the

our side, and Skirmishers during part of Cavalry Infantry and R.F. Artillery We could hear the firing but no report of engagement had been received when we left the field. Urgent appeals for ammunition I presume the fight was sharp

The hasty lines I write on these occasions must of course be somewhat inaccurate

They possess one virtue at least in being the first and unprejudiced impressions of an Spectator and part actor in stirring scenes.

Very Truly

enemy.
the enemy occupied and commenced
entrenching in front of our lines
South of Petersburg. Their line
and the works are very strong.
The enemy were from 500 to
1000 yards in front of our
Breastworks. This morning
Johnsons and a portion of Mahone's
drove the Yankees with great
ease and very handsomely some
two miles — capturing about
300 prisoners and pursuing
the enemy quite severely — In
pursuing through dense woods
and bad swamps our troops
became confused mixed up and
disorganized. Without any effort
case they commenced flocking
back to our Breastworks a
disorganized mob. Before they
could be collected and reorganized
the assault of the enemy followed
them up with great vigor. The

new troops that had been put
in front of our works were rather
driven or necessarily drawn in to
the main breastworks. Whilst
the enemy had not only occupied
their position of yesterday but
had encompassed our whole line
at distances of from 1000 to
100 yards and were busily
engaged without molestation in
entrenching themselves there
By tomorrow morning they
will be strongly entrenched
That portion of the lines
will then be somewhat like
around Petersburg — both sides
too strong to admit of attack
Some of our wounded and
all our dead are in the enemy's
hands. A fight took place
at "Five Forks" near Dinwiddie
C.H. between Ritchie's Division
(3 Brigades of it) and two Brigades
(Wallace and Ransom's) of Johnsons
Division and the N.Y. Tyler's Heavy Art
and Rosser's Cavalry Division, on

Head Quarters Dist E Florida
Fort Clay, Fla. May 29, 1863

General

Capt John P. Baldwin A.C.S. who originally held a commission as assistant Commissary of the 4th Regt Fla Vols, has been acting as Post Commissary in Florida for nearly two years, and has proved himself a faithful, active and efficient officer. It has been suggested to me that perhaps by a recent law he may be dropped from the service as he only holds a ~~Commission~~ as Commissary of a Regiment.

My troops are so scattered for the protection of exposed points in this District that it is found necessary to have a Commissary at a convenient place for the concentration and distribution of supplies. Capt Baldwin has performed this duty for the last fifteen months at Sandsenon, in a manner creditable to himself and with efficiency and economy to the Government.

I therefore respectfully ask that he be continued in his present position, and, if necessary, that a new Commission as

Post Commissary be issued to him.
I have but one other Assistant Commissary (Capt Simanus) on duty in this District, and if Capt Baldwin should be removed, it would be a manifest injury to the service, as the duties are to diversified to be performed by one person.

Sir

I write me thro'
you respectfully to represent what seems
to me an injurious effect upon the volunteer
service in the detail made on the third
of December last of forty four men
from this Regiment (the 1st Me. on 26th
June) for service with the Artillery.
The men detailed were willingly by the
the permission of a Muster duly given
it was supposed that their separation from
their own Company officers would only be
of short duration. The time has been
prolonged with no prospect of their return
and this regiment in Complaint is con
stantly made that they would not have
volunteered as Soldiers but for the privilege
of selecting their own officers: Companions
and friends. Day after day I hear
personal appeals are made to me by the
men for relief from this duty. which
much sympathy, for these men - separated
from their officers and associates. I can
only represent the hardship of the case
and respectfully ask attention to it, in
with the hope that some plan may be devised
whereby the necessity of the service may be
fulfilled and these men may be permitted to
return to their Command

To Col. Edward Clark.

Sir: I respectfully tender this as my resignation of the office of Surgeon of your Regt. I do this with much regret: but am constrained to do so by the condition of my health: it has been very bad for some time, and is continually growing worse. I am unwilling to be from the service, & hope I may be able to return to it in time to do my country some good.

I give with great reluctance to the top of Dr Baldwin, but my own knowledge of his condition, constrains me, in duty to him, to assent to his resignation, & to request that it be accepted. I also request that he be permitted to go home, without awaiting the return of the acceptance of his resignation from Richmond.

Edward Clark

I have carefully examined William F. Baldwin and find him incapable of performing the duties of a Surgeon because of Chronic Diarrhea. I would therefore recommend his discharge from the Service.
